

2018 Summer Program

Please fill out the calendar below as specifically as possible to help us create the best schedule for you. We try to be as flexible as possible in scheduling around your other commitments. Most therapists are available Mon-Thurs during the summer.

- Please note **days not available** with an "X."
- Please note **time restrictions** by filling in when the student CAN come. For example, for a child with camp from 9-12, with 30 minutes of transportation time, you might write "12:30-5."
- Please note **preferences** on the back if they do not fit on the calendar. For example, "Can come in afternoon but prefer morning," etc.
- All existing clients are prioritized over new requests.
- **Please return this form to Keshia by 5 PM on May 24th for priority scheduling.**
- We anticipate having schedules ready for you to review by the week of June 4th.
